

Avis SME Advance

Inspired by the drive of mobility!

Avis Advance

Whether you own or manage a small or a mid-size company (i.e. Small Medium Enterprises), or a business traveler who is responsible for your own travel decisions, the needs are similar - Convenience, Service, and Value.

At Avis we are committed to providing a faster, reliable, friendly, consistent and easier car rental service to our customers. Hence we have created the Avis SME Advance, to help you and your business by reducing costs and increasing efficiency.

The Avis SME Advance program gives small to mid-size companies the most flexible option for car rental.

The benefit of Avis SME Advance is that you rent only when there is a need for it, with no contractual obligations. Plus take advantage of great rates in Singapore and around the world!

With the Avis SME Advance you can:

- 🚗 Enjoy low rental rates – Singapore and overseas
- 🚗 Leisure discount on the Avis SuperValue rates overseas
- 🚗 Save time at the rental desk with the Avis Preferred Service
- 🚗 Online booking

For more information on the Avis SME Advance program just visit www.avis.com.sg or you may also call Avis at (+65) 6737 1668 for additional information.
